**From the Back Cover:**

If you're planning your trip to Maui, you need this lovingly researched, frank and honest restaurant guide which has been completely revised and entirely updated for 2010.

Disappointing meals (and there are a lot of them on Maui) can totally ruin a dream vacation. Don't leave your planning to chance or rely on slick advertising-driven guides. Other tourist books with their capsule "reviews" don't come close to the insight you'll get from opinionated, knowledgeable restaurant critics who live on Maui.

Tens of thousands of elated and relieved visitors have trusted *Top Maui Restaurants* (both the online version and previous editions of this book) to guide them to the best eats on Maui.

In this 2010 edition you'll find:

- The top romantic restaurants worth the splurge.
- The best inexpensive but tasty places.
- Hidden gems you wouldn't find unless a local revealed the secret.
- A user-friendly reference to help you fulfill any food craving.
- Insider secrets and tips to help you get the most out of your Maui vacation.

“Whichever Maui guide-book you get, ignore the restaurant section and rely on James and Molly Jacobson’s book instead...”
